

Machine Translations (MT)

TRANSCENDING EXCELLENCE

Machine translation is generally foreign language into English and is generally used to get “information only” from foreign patents. We offer MT for the following language patents

- Japanese patents only: **\$49.00** per document
 - Utility Model Kokai (unexamined “U” documents) – 1993 to present (JP 5-xxxxxxU)
 - Granted patents (B1 and B2) – 1996 to present (JP 2500001B)
 - Published Applications (Kokai “A” documents) – 1993 to present (JP 5-xxxxxxA)
- Chinese patents only: **\$85.00** (extractable pdf's or Word docs only)
- Korean patents only: **\$49.00** per document
- Russian patents only: **\$85.00** (extractable pdf's or Word docs only)
- French patents: **\$85.00** to 100 pages, (extractable pdf's or Word docs only)
- German patents only: **\$85.00** to 100 pages (extractable pdf's or Word docs only)
